About this form

Complete this form if you are a private individual and you want to apply for, or update, a Customs Number.

A Customs Number is required if you want to bring items into New Zealand (importing) or send items out of New Zealand (exporting), when those items have a value of NZ \$1000 or more.

If you are planning to import or export items for commercial purposes, complete 'NZCS 224 Apply for a client code or update your client registration' instead of this form.

If you are importing food for sale or food ingredients for the use in food for sale, no matter the value, you **must** register as a food importer. Complete 'NZCS 224F Apply for a client code or update your client registration as a food importer' instead of this form.

If you are under the age of 16 this form should be signed by a parent or guardian.
